*These pages record the brief,
fleeting moment that was Western-
1964. You, the Western student,
created this unique moment. To
you we dedicate the 1964
TALISMAN.*

The Western student, like a diamond, has many facets. He is the scientist, exploring the world that surrounds him . . .

And the artist, sparkling with the momentary flash of creation . . .

*He is the scholar, immersed in the baptismal
waters of knowledge . . .*

*He is the energetic youth,
imparting life to the campus . . .*

*And continually searching
for his identity . . .*

Relationships . . . himself and God . . .

*Interactions . . . friend to friend . . .
boy to girl . . .*

*He is the fan, the cog of the great wheel
of activity of his college . . .*

*He is the person, living with others in
the social whirlpool of life . . .*

EDITOR—Brenda Southard

THE PRESIDENT

A Message to Western Students:

Western is genuinely proud of the fine group of students who, by their demonstration of academic excellence, good citizenship, and other outstanding achievements, have distinguished the 1963-64 student body as one of the best in the history of the College.

In commending you for your individual achievements, I also want to express sincere appreciation for the contributions you have made in so many ways. Gratitude is especially directed to the Senior Class and to others who have provided the leadership in the publication of this beautiful *Talisman* and who have contributed to other worthwhile endeavors.

We are experiencing an exciting period of growth and development, which presents a distinct challenge to every element within the College. The strong foundation of our future progress must be built from the coordinated efforts of a dedicated faculty and staff, loyal alumni and friends, and outstanding student body.

Each of you is a vital part of Western, and it is hoped that Western has become a part of you. The spirit of the College can be preserved and perpetuated only if it continues to be a sustaining force in your life and in mine. The College pledges to you that it will constantly strive to achieve greater goals and to maintain a program of which you can be proud.

Sincerely,

Kelly Thompson
President

Dr. Kelly Thompson and Mrs. Thompson look approvingly at Mrs. Mary Armstrong, President of the Muhlenberg County Alumni Club, during the "This is Your Life" program honoring President Thompson at Central City.

A group of students from the President's home county, Marion, pose with him and Mrs. Thompson while being entertained in their home. Dr. William Hourigan, extreme right, sponsors the club composed of students coming from Marion, Washington, and Boyle Counties.

TALISMAN STAFF

Last fall we set out to produce what we knew would be the biggest and hoped would be the best TALISMAN Western had ever had. With a flurry of flash bulbs, creative pens, cokes, and confused conversation, we produced a finished product which we think meets our aims.

We have had the experienced advice of Mr. Gipson and of Buddy Shaw of the Benson Publishing Company, and although we sometimes insisted we knew more about producing an annual, their good judgment usually prevailed.

The TALISMAN itself is expanding with the school whose life it reflects. We have added to this year's TALISMAN a section on "The Year," portraying student life on the Hill throughout the school year.

And so we present to you the 1961 TALISMAN.

The *College Heights Herald* is the official newspaper of Western Kentucky State College. It is published each Wednesday morning. It voices the heartbeat of the Hill by focusing its attention on Western in all phases of its campus life.

A standing member of the Columbia Scholastic Press Association, the *College Heights Herald* consistently receives high ratings in the Association's annual ratings of American college newspapers.

Improvements for the publication are constantly being sought. As Western advances its march for progress, the *Herald* moves along to achieve the highest ideals of journalism.

ROBERT COCHRAN, General Manager

The *College Heights Herald* goes to press.

Special Assignment: Journalism class covers the Western beat.

Oberon and Titania meet with their elves and spirits in the Athenian wood.

The prime purpose of the Western Players is to offer creative experiences in theatre to its members. In the group's activities—a series of four major productions, Alpha Psi Omega, a fraternity to honor members for loyalty and achievement, an experimental theatre where students may try their own wings at directing and producing, a package show variety unit, and a novice group in dance theatre—nowhere on campus is the opportunity for creation on the part of the student given wider scope.

At the end of each school year, members who have shown themselves outstanding in the various areas of theatre receive recognition in the form of "Toppers" at an Awards Banquet.

Under the capable direction of Dr. Russell H. Miller, the Western Players offer the student cultural experience, dramatic training, and social activity.

The forest of Arden provides a utopia for the revels of shepherds and shepherdesses.

WESTERN PLAYERS

Sigmund Freud stands alone in his determination to pursue his theory of psychoanalysis.

"The soul of a man is a far country which cannot be approached or explored." But Sigmund Freud dared to try.

Rosanne presents Orlands with a love charm as Celia looks on in "As You Like It."

"All My Sons" offers a compelling study in the absolution of a guilt-ridden conscience.

INTRAMURALS

The Intramural Office attempts to provide every student with the opportunity to participate in organized and informal sports activities as regularly as his time and interest permit.

Over-emphasis of any phase of the education process is detrimental to proper balance. The intelligent use of leisure time, participation in regular recreation, and a balanced program of physical and mental activity cannot help but develop a feeling of physical well-being and the development of a well balanced personality.

The 1963 football campaign was the greatest in Western's history.

Coach Nick Denes' team not only nailed down the coveted Ohio Valley Conference championship, but finished a tough ten-game season without a loss and added a 27-0 triumph over the U.S. Coast Guard Academy in the Tangerine Bowl game at Orlando, Fla.

Certainly, every member of the team and coaching staff contributed greatly to the successful season, but there were some outstanding individual achievements. Denes was named the OVC's "Coach of the Year" for the second time in his Western career. End-linebacker John Mutchler was selected as the conference's "Lineman of the Year," earned a second team berth on the Associated Press Little All-America team. Half-back Jim Burt gained honorable mention on the AP Little All-America and was the only unanimous choice in voting for the All-OVC team.

Four others joined Burt on the all-conference first-string: Mutchler, Harold Chambers, Joe Bugel and Dale Lindsey.

GRIDIRON ACTION

You'll never catch me!

I'm down!

Just inches to pay dirt.

What I wouldn't give for a blocker!

Rain, Mud, nor East Tennessee could stop our grid men.

Topper Touchdown Time.

Why all the fuss?

BASKETBALL

Western's basketball team went through its second straight rebuilding season in 1963-64, finishing with a 5-16 record—only the fifth time in Coach E. A. Diddle's 42-year career that the Hilltoppers have finished below the .500 mark.

Western's lineup was dotted literally with sophomores who, along with a stellar group of freshmen moving up to the varsity next year, should put the Hilltoppers back on the success trail.

In the past season, Western played brilliantly at times. Otherwise the Toppers would never have been able to dump both Morehead and East Tennessee out of the Ohio Valley Conference lead and slap LaSalle with a 107-95 defeat that crippled the Explorers' chances of gaining a berth in the National Invitational Tournament.

Individually, senior guard Darel Carrier turned in one of the greatest seasons ever for a Hilltopper. He was an overwhelming choice for All-OVC honors. His 26.0-points-per-game average tied the conference scoring crown in the grueling race with Morehead's Harold Sergent and set a new school record, surpassing Tom Marshall's 1953-54 average of 25.9. The high point of Darel's career was his 50-point game against Morehead, the second highest single-game total ever turned in by a Western player.

Other seniors on the team were Darel's twin brother, Harel, and Ralph Townsend. Harel turned in several outstanding defensive performances as a reserve and Townsend did a terrific job, especially in rebounding, after earning a starting position at mid-season.

Seated: Kellar Works, Harel Carrier, Darel Carrier, Ray Rhorer, Charles Shuffield, Walker Belcher. Standing: Assistant Coach Ted Hornback, Ralph Townsend, Bane Sarrett, Ronnie Kidd, Glenn

Marcum, Ray Keeton, Steve Cunningham, Ralph Baker, Coach E. A. Diddle.

ARENA ACTION

FRESHMAN BASKETBALL

Martha Harris, Carolyn Cherry, Ann Ping, Jane Baize, Sandy Dever, Patti Griffs.

Western's 1963-64 Freshman Basketball Team left bright hopes for future Hilltopper fans as the yearlings posted a 1-1 record against some of the strongest competition available, ranked as one of the finest freshmen aggregations ever recruited by Coach Diddle and Coach Hornback.

TRACK

Western's 1963 track team was the finest ever assembled on the Hilltopper campus. It finished with a 7-2 regular season record and won second place in the Ohio Valley Conference meet.

Hilltopper Coach Tom Ecker was named the OVC's "Coach of the Year" for his outstanding direction of the team. Western's half miler Jerome Beazley was selected as the conference's "Track Man of the Year".

Beazley was a freshman sensation, setting both school and conference records in his specialty. His best time for the event was 1:50.9.

Western's first-place finishers in the OVC meet included Beazley, Tom Gard, and Paul Woodall.

CROSS COUNTRY

Western's Cross-Country team, only in its second season of existence, won eight straight victories last fall to go undefeated in dual-meet competition.

The Hilltoppers, under the direction of Coach Tom Ecker, finished second in the Ohio Valley Conference meet and won the Kentucky Federation Championships.

The team's performance was led by durable Tom Graham, who won the individual OVC title with a time of 21:20.6 over the four-mile course at Tennessee Tech in Cookeville. His victory and outstanding success all season long earned him recognition as the OVC's "Cross-Country Runner of the Year."

EDITOR'S NOTE

We are indebted to our diligent staff for their enthusiasm, ingenuity, and encouragement. To Mr. Millard Gipson, our capable sponsor, go our heartfelt thanks for being a friend, as well as an advisor.

The excellent photography on these pages may be attributed to the patience and skill of Tommy Hughes and Frank Ashley. We are grateful to Miss Frances Richards for her suggestions and contributions in checking copy. For packaging and mailing the material, we offer our gratitude to the Bookstore and to the Office of the President. We greatly appreciate the cooperation shown us by the Public Relations Office in acquiring photographs.

The entire staff wishes to thank Mr. Buddy Shaw, representative of the Benson Printing Company, for his untiring patience and help in publishing our yearbook.

As editors of the 1964 TALISMAN we have attempted to recapture the year in the life of the Western student; and it is our hope that in years to come many pleasant memories may be stimulated for you by the pages of this book.
